### BLACK DRAGON CHESS

2324 Roundhill Drive  
Alamo, California 94507  
Phone: 925-788-0814  
Fax: 925-820-6511  
E-Mail: [goags@comcast.net](mailto:goags@comcast.net)

Introduce your child to the elegant, centuries-old game of Chess! Studies have shown clear academic, social, and cognitive benefits for chess-playing children, but most importantly it is fun! Beginning students will learn how the pieces move, the rules of play and basic strategies. Advanced students will focus on opening theories and advanced tactics. The class is a combination of individual and group instruction. All ability levels can participate and are welcome. The class will include supervised play amongst the students with an emphasis on good sportsmanship. All materials provided. A second child from the same family is half-price.

Questions can be directed to J.B. McCann @ 925-788-0814.
