

Presenting Camp Character's After School Club

Where kids learn to serve others

This win-win inspiring program will encourage your child to Give, Share and Care. Your camper will understand the 3 aspects to learning to give... through their time, through their talents and through their "treasure" (money). In this once monthly course, your child will learn about a number of critically important service "needs" in our immediate community, neighboring communities and around the world driven through carefully selected kid-friendly materials and service projects.
