Students of American Indian heritage, between age 4 and grade 12, are eligible to receive the following FREE services from our program:

- Native American Culture Class
- Academic Tutoring
- College and Career Motivation Activities
- Scholarships
- Summer Outdoor Education
- Pow Wows and Field Trips
- Weekly e-mail updates on activities
- Parent sponsored Monthly meetings
- Referrals for Social Services and Counseling

One enrollment form is needed for each child. Please return or mail a completed form, which can be requested from the American Indian Center, to your school or the American Indian Center located at Junction Ave School, 298 Junction Ave., Livermore, California, 94551. If you have any questions about eligibility, please contact Mary Puthoff at phone number or email address listed above. Funding for the program depends on the number of students enrolled, so it is to the advantage of all students of American Indian heritage to enroll as many students as possible. Thank you so much for your interest and cooperation.
