

Yearbook.....

things to know as the Room Parent

The Yearbook relies on parents from each classroom to submit pictures from each classroom.

Our FINAL deadline for pictures is in Mid-February, but most of the book will have been already submitted for publication at the end of January!

Please let one of us know if there are any new kids in your classroom throughout the year.

Most classrooms have a Yearbook Parent, but if there is not one, we need your help on the following ways

- Please find a YB rep for your class....after the first party/field trip, you can tell which parent always comes with their camera or posts pics to share! *Let Robin know who this is: robin.dias@yahoo.com*
- If no YB rep is available, please assign someone at each classroom event (parties, Giving Tree, fieldtrips, book buddies, interesting activities, etc) to take pictures for yearbook.
- Many of our teachers are great photographers, but don't have time to submit them. Please ask them for pictures too.

Our goal is to have every WG student in the book at least 2 times.

Pictures can be submitted by CD. DVD, or e-mail.

Please make sure that the files are 500kb or greater. We have had problems with people submitting the 'thumbnail' photos-great shots, but too small to be used!

A note about Halloween Pictures: Halloween is just around the corner! It is our tradition to make Halloween collages. We do these in Photoshop. The kids like this—kind of like a *Where's Waldo* thing, so it is important that a good shot of each child is taken. The best way to do this is to get them when in line to go in to class right before school. Just go down the line taking 3-4 kids at a time.
Deadline for Halloween pictures is early November.

Thank you!
