

## Walnut Grove Roots & Shoots

Walnut Grove has its own chapter of Roots & Shoots that was established 2 years ago. Roots & Shoots was founded by Dr. Jane Goodall. The Roots & Shoots program inspires youths of all ages to make a difference by becoming involved in their communities. Each Roots & Shoots group plans and implements service learning projects that promote care and concern for animals, the environment, and the human community. Roots and Shoots meets on the last Tuesday of the month from 3-4 pm in Room 212. The club is open to all students in 3<sup>rd</sup> - 5<sup>th</sup> grade. Parent assistance is welcome.
